

EXHIBIT 4-A

3/7/2024

Dear Eve,

I hope this letter finds you doing well, please accept my heartfelt gratitude and appreciation for all that you, and the team are doing on my behalf as a woman, struggling to survive in DPSCS custody. Eve, it is an immense honor and privilege to be represented by such an indomitable and fierce woman such as you.

~~Enclosed~~

Enclosed, Please find the name and information of the male inmates I've been able to convince and/or beg to come forward on my behalf and speak to my attorney in regards to the ARP issues and other related issues, I would also greatly appreciate it if you all could please send me copies of our filings for the response to the housing assessment, Enforcement of the TRO, and if possible the housing assessment/report that the state submitted in response to Judge Maddox's TRO. I also would appreciate it if you could send me a copy of our representation agreement, and any of our other filings or depositions, or expert reports that could be made available to me. I'm extremely bored, lonely, and isolated at NBCI, and I take great pride, and draw a lot of hope and strength from reading our case work. I also like to have

well versed and upto date on everything we're doing
 In the interest of being the best client and witness possible.
 It's also really nice to get mail once in a while, a
 girl can feel really far away and alone up here, if
 its not too much trouble, I'd deeply appreciate it.

I really appreciate all that you and B, G, L
 and Deb are doing, and our weekly video check ins
 mean the world to me, I'm so grateful for you all.
 Whenever the Judge makes his responses I look
 forward to consulting with you, and would appreciate
 it if I could be sent copies of everything possible
 to read.

Additionally, the ofc who is on the 3-11 shift
 who is extremely sexually inappropriate towards me is
 Ofc. Livinggood - I had originally thought her name
 was eastern European, as his coworker jokingly call
 him "Pinsky" for some reason - (he is a large, younger, white
 male, with glasses). This is the ofc. I've spoken about to
 you + Deb about on the visits, There is another younger
 white male, dark haired ofc, with a muscular build, and a
 dragon ball 2 tattoo on his right forearm, who has
 repeatedly conducted "bar check" on me, at which
 time he has made numerous sexual ~~comments~~ ^{comments}, references,
 and even gone as far as asking me if I "look good in a Thong"
 I'm having difficulty in learning his name, none of them WEAR
 and I.D. or name tags, and they refuse to identify
 themselves with a name tag.

these male 3-11 ofcs are crossing the line of Sexual Abuse with me repeatedly. I'm willing to identify them publicly, I am all in on our case, this is my life mission, I've thought about it, and I'm not going to hold back, Even we are all in this to win it, I'm ready, willing, and able to face whatever is necessary, these Predators must be held accountable.

I'm hanging in here, and will continue to document, report, and survive on my end. Please keep me updated, and thank you so very much for all your amazing work. I've also started keeping logs on staff who misgender me, refuse me ARPS or other forms, and who take my mail, etc...

I also believe NBCI is obstructing me from receiving regular mail, I'm suddenly, no longer receiving ANY of my numerous LGBTQ newsletters and publications, and I haven't received several letters I was sent by Scott, his sister, and my trans sister Sybilla Cavada. Several ofcs have made veiled comments about my mail being "disappeared". I hope to hear from you soon, take care!

Sincerely,
Chloe Gray
